Why I Rejected The Church For So Long And What Changed

Dread going to church? Feel restless and bored during mass? Cringe at the hypocrisy often found in organized religion? This book offers a fresh perspective for those seeking answers.

A quick and compelling read for anyone who…
- daydreams in the pew and can't wait until mass is over
- resents or is confused by a rigid list of out-of-touch dos and don'ts
- has been hurt or alienated by their church
- believes church is irrelevant for real people with real problems.

Mass Confusion reveals how an unlikely pilgrim—a corporate attorney turned hospice nurse—was finally able to grasp the life-changing truths of her faith. After 40 years of drifting in and out of the church, Susan Dolan experienced a life-transforming event that led her to renew her spirituality, return to her faith, and rediscover joy and peace—in the midst of the Catholic Church's ravaging sexual-abuse crisis that caused untold thousands to reject the Church.

"Susan's story of rediscovering her Catholic faith after a 40-year walk in the spiritual desert will inspire you. There is much for all of us to learn from how she became reacquainted with what matters most and what matters least in life. I thoroughly enjoyed it!"
— Allen Hunt, Senior Advisor, Dynamic Catholic

"If you've been hurt, disillusioned, or alienated by the Church and could use a guide to help you rethink Catholicism, Mass Confusion is a must read."

— Kathleen Dee, re-engaging Catholic

"This book is relatable and accessible and will encourage people of all ages who are looking for a path to a vibrant, personally enriching Catholic faith."

— Kathryn Rombs, Ph.D., Founder and President, Mighty Is Her Call, a Catholic mothers' ministry
